

Brian & Suzanne Wright

May 27, 2008

To whom it may concern;

This letter is to serve as reference to Ms. Janet Fuchs and Animal Aficionado Pet Sitting.

Ms. Fuchs has offered her pet sitting services to us and our two dogs and we are more than comfortable having her in our home and trusting her with our most valued possession – our family dogs. Ms. Fuchs is reliable, trustworthy, organized and personable. More importantly, Ms. Fuchs is loving, caring, fun, attentive and shows a sincere interest in other people's pets.

There are many choices when it comes to choosing someone to care for your pet. What I found that separated Ms. Fuchs from the rest was her ability to adapt to our needs. She is very accommodating and respectful to our needs and always attentive to the needs of our dogs when they are depressed, ill or just need a little more TLC than usual.

I would not hesitate to recommend Ms. Fuchs for any position within the pet industry. She has a natural ability to like and be liked by anyone – two legged or four legged.

Sincerely,

A handwritten signature in cursive script that reads "Suzanne Wright".
